

CC TABS

REGULARITY SUPPORT

CC Tabs

CC Tabs are formulated from health-giving herbs and sea vegetation that help support the cleansing of deposits along the colon wall, while providing nutritional support to the digestive system and naturally promoting bowel regularity and elimination. *

Today, with increased exposure to environmental and dietary toxins, many people are realizing the importance of supporting the body systems that provide proper elimination of impurities and undesirable materials.

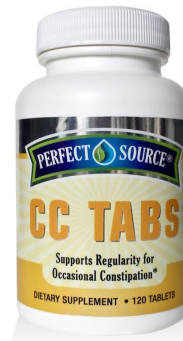

The ingredients that comprise CC Tabs have been successfully used by dedicated health enthusiasts and are recognized as safe and effective.*

CC Tabs consist of natural ingredients and contain no artificial color, preservatives, starch or sugar.*
